by the grantee and approved in writing by the awarding official of NIFA or ARS, as appropriate, prior to effecting such changes, unless prescribed otherwise in the terms and conditions of a grant.

(c) *Changes in project period.* The project period determined pursuant to § 3415.5(b) may be extended by the awarding official of NIFA or ARS, as appropriate, without additional financial support, for such additional period(s) as the appropriate awarding official determines may be necessary to complete, or fulfill the purposes of, an approved project. Any extension of time shall be conditioned upon prior request by the grantee and approval in writing by the appropriate awarding official, unless prescribed otherwise in the terms and conditions of a grant.

(d) *Changes in approved budget.* The terms and conditions of a grant will prescribe the circumstances under which written approval must be requested and obtained from the awarding official of NIFA or ARS, as appropriate, prior to instituting changes in an approved budget.

§ 3415.9 Other conditions.

The Director or Administrator may elect to use a portion of available funding each fiscal year to support an Annual Conference, the purpose of which will be to bring together scientists and regulatory officials relevant to this program. At the Annual Conference, the participants may offer individual opinions regarding research needs, update information and discuss progress, or may offer individual opinions on areas of risk assessment research appropriate to agricultural biotechnology. The annual program solicitation will indicate whether funds are available to support an Annual Conference and, if so, will include instructions on the preparation and submission of proposals requesting funds from the Department for support of an Annual Conference. The Department may also elect to require principal investigators whose research is funded under this program to attend an Annual Conference and to present data on the results of their research efforts. Should attendance at an Annual Conference be
